

TweetyB's Utility Assistance Application

Dear Applicant,

Thank you for your interest in TweetyB's Utility Assistance Application. Enclosed you will find an application for utility assistance along with detailed instructions to help you accurately complete your application.

Please note that a signed, completed application and all required documents must be submitted for your application to be processed in a timely manner. Failure to submit the required documentation listed below will result in delayed processing or denial of your application.

Please note that the completion of this application in its entirety does not guarantee approval. Approval is contingent upon the availability of resources within the organization to support the community. Such resources are donated to TweetyB's organization from outside sources for the purpose of supporting community members in need. TweetyB's will not pledge assistance or make utility payments to utility vendors until eligibility and approval determination is made. Understand that you are solely responsible for paying your utility bill before, during, and after the application, eligibility and approval determination. Understand that depending on the bill amount TweetyB's may not pay the entirety of your bill as there is a cap for each approved applicant. TweetyB's will notify you once your application determination is either approved or denied. If approved, TweetyB's will provide the applicant with further information regarding bill payment and amount donated. TweetyB's will not issue any payments directly to individuals. Instead, payments will be made directly to the utility provider to cover a portion or all of a specific bill. Knowingly making a false statement on this application will result in permanent disqualification from any further pay assistance from TweetyB's community outreach program.
